Dear Sir/Madame:

The Law Foundation of Nova Scotia and Account No. ( )

Section 30 of the *Legal Profession Act* and the regulations made thereunder require that in respect to my (our) above noted account, which is a trust account, interest be paid and remitted to the Foundation as agreed upon by you and the Foundation and a report on Form LF2 (or some equivalent form approved by the Foundation) showing how the amount so remitted to the Foundation was computed be prepared.

I (we) have been advised by the Foundation that the regional offices of the financial institutions at Halifax have approved of these arrangements and are in a position to furnish whatever additional information their branches may require.

Since the statute provides that the interest "becomes the property of the Foundation", Income Tax Form T5 must be prepared in the name of the Foundation.

Accordingly, I/we hereby authorize and direct you, until further notice, to implement these arrangements, effective the first day of the next calendar month.

Dated the _____ day of _____ 20 _____.
