AUDITORS' REPORT

To The Board of Governors of the Law Foundation of Nova Scotia

We have audited the statement of financial position of the Law Foundation of Nova Scotia as at March 31, 2002 and the statements of operations and changes in net assets and cash flows for the year then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

Except as explained in the following paragraph, we conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

The Law Foundation of Nova Scotia derives substantially all of its revenue from interest credited by financial institutions on Nova Scotia Barristers' Society members' mixed trust funds which is not susceptible to complete audit verification. Accordingly, our verification of revenue from this source was limited to accounting for the amounts received from financial institutions and recorded in the records of the Law Foundation of Nova Scotia.

In our opinion, except for the effect of the adjustments, if any, had interest credited by financial institutions been susceptible to complete audit verification, these financial statements present fairly, in all material respects, the financial position of the Foundation as at March 31, 2002 and the results of its operations, changes in net assets and cash flows for the year then ended, in accordance with Canadian generally accepted accounting principles.
